

To Athletic Director and Golf Coaches:

The Golf Committee is now taking nominations for individuals for the State Tournament. As stated in the introductory letter:

- Coaches should keep a record of individual scores. The top 4 players in each division not on an invited team will be invited as an individual. Coaches will nominate individuals; the committee will announce individual selections on May 10, 2022, after the teams are selected.

Qualifications for individual athletes:

- Individuals must complete a minimum of 6 matches to be eligible for the state championship. Coaches must fill out a separate form for each match the player participated in. The individual player score link is:

- Gross scores will be used to select individuals. Failure to submit all scores will disqualify the player from being considered for the State championship.

If you have any questions, please contact us or your division representative.

Sincerely,

Janet Phillips and Keith Green  
Co-Chairs, VISAA Golf Committee
