

September 10th, 2025

Dear Athletic Directors and Field Hockey Coaches,

We hope the first couple of weeks of your season have gone well and that the school year is off to a great start! As the season gears up, we are sending you the information for the state championship as well as reminders for the season.

Please note the following change: the home team will now wear single, solid dark-colored uniform tops, and the visiting team will wear white uniform tops. Also, if an undershirt is worn, the home team shall match the color of the jersey or wear a dark color undershirt, and the visiting team shall wear white undershirts.

Weekly Polls:

Mary Blake will be sending you an email that outlines when and how to report scores the week of September 22nd. Please be on time with your emails each week; in order for the polls to come out on time, this information is vital. The first poll will be posted the week of September 29th.

VISAA State Tournament Information:

Tuesday, November 4 - Quarter-finals @ Higher Seed - Suggested: 3:00 pm

Thursday, November 6 - Semi-finals @ Higher Seed - Suggested: 3:00 pm

Saturday, November 8 - Finals - @ St. Catherine's School

- DI - 11:30
- DII - 2:00

******We highly encourage all State Tournament games to be played on turf. This allows for less postponed games due to inclement weather and creates consistency in field conditions.******

Awards Information: You will receive information from Mary Blake in October about the nominating process for All-State honors.

Best of luck this season!

Michelle Woodruff and Eyal Fierst

Field Hockey Committee Chairs
