

September 8th, 2026

Dear Athletic Directors and Field Hockey Coaches,

We hope the first couple of weeks of your season have gone well and that the school year is off to a great start! As the season gears up, we are sending you the information for the state championship as well as reminders for the season.

Weekly Polls:

Mary Blake will be sending you an email that outlines when and how to report scores the week of September 21st. Please be on time with your emails each week; in order for the polls to come out on time, this information is vital. The first poll will be posted the week of October 5th and polls will come out weekly until the state tournament.

VISAA State Tournament Information:

Tuesday, November 10 - Quarter-finals @ Higher Seed - Suggested: 3:00 pm

Thursday, November 12 - Semi-finals @ Higher Seed - Suggested: 3:00 pm

Saturday, November 14 - Finals - @ St. Catherine's School

- DI - 2:00
- DII - 11:30

******We highly encourage all State Tournament games to be played on turf. This allows for less postponed games due to inclement weather and creates consistency in field conditions.******

Posting Schedule and Scores to Maxpreps: VISAA is asking all schools to post field hockey scores to Maxpreps this year. This is part of a trial and is not the official reporting. Coaches should post scores to Maxpreps and **continue to send scores to Mary Blake.**

Awards Information: You will receive information from Mary Blake in October about the nominating process for All-State honors.

Best of luck this season!

Michelle Woodruff and Eyal Fierst

Field Hockey Committee Chairs
