Here are some important items for the tournament:

The winning team will email/text me with your result immediately after your quarterfinal game. 757.434.2129

Athletic Directors contact each other to discuss start times and field location.

Let me know what time you will be playing your quarterfinal game.

National Federation rules will be applied.

Run Rule will be in effect for Quarterfinals and Semi-Finals 15 after 3 innings, 12 after 4 innings, and 10 after 5 innings. The championship games will be played to completion.

Any players or coach ejected from a game will have to sit the next game

All games will be played as "suspended" if they are interrupted. (For Example, if a thunderstorm hits at the top of the 3rd and your game cannot continue that day, it will pick up from where it left off.)

There will be no protests allowed; the umpire's decisions are final.

3-man umpire crews are mandated for quarterfinal games. Host Schools are required to contact your umpire association. (Please contact me if you have a problem securing a 3-man crew.)

**There is one change to our Championship Game times.**

**Division I and Division III will both play their Championship games at 1:00 PM**

**Division II will play their Championship game at 3:00 PM.**
