### **PASSWORD FOR ENTRIES: VISAA2022**

ENTRIES/SEEDING: Because we are using the entry system from Milestat.com, entries for the various events will be automatically filled in from the database maintained by the Milesplit/Milestat.com site. A coach will not be allowed to enter a mark that is not in that database. While this does make things easier for coaches and meet directors because it eliminates the necessity of verifying times, it will be a problem for coaches attempting to enter marks from meets that have not been reported to Milestat.com. ALL MEET DIRECTORS AND COACHES: REPORT YOUR RESULTS TO MILESTAT.COM OR E-MAIL THE FULL RESULTS TO THE VISAA MEET DIRECTOR Zach Lampert at zlampert83@gmail.com

If an athlete is declared for a field event, they may scratch from that field event if a coach or team representative reports the scratch to the official of the field event before the event begins (preferably at first call).

### **CONDUCT OF THE MEET [D]**

- D-1 Semi-finals and finals will be conducted in the 100m/110m Hurdles and 100m Dash. Eight athletes will advance to the finals in the 100m/110m Hurdles and 100m Dash. The formula for advancement to the finals will be:
  - If two heats, the first three places in each heat will qualify for the finals plus the next two fastest times.
  - If three heats, the first two places in each heat will qualify for the finals plus the next two fastest times.
  - If four heats, first place in each heat will qualify for the finals plus the next four fastest times.
- D-2 Finalists in the 100m/110m Hurdles and 100m Dash, will be seeded in sections and lanes according to their semifinal times with preference for lanes for the finals first given to those advancing by place and then by those advancing by time.
- D-3 In the 200m Dash, 300m Intermediate Hurdles, 400m Dash, 800m Run, 1600m Run, 3200m Run, and relays the Meet Director will seed sections and lanes on the basis of entry times.
- D-4 Coaches and athletes not currently competing in a field event are not allowed on the infield except those coaches who are inside the designated coaching boxes for each field event.
- D-5 If a fall occurs on the first curve of any of the races, the race is to be called back, unless run in individual lanes.
- D-6 Competitors will be asked to report to their event 10 minutes before their event is to begin. Runners will be assigned hip numbers at check in, which should be worn and visible on the left hip. Shirts must be tucked in so that hip numbers are visible.
- D-7 When an athlete properly checks out from a field event for a running event he or she should be given reasonable time to return immediately after the conclusion of that event. "Properly checks out" is defined as when the clerk required the athlete in the holding area (as opposed to checking out to warm up, get hip numbers 5 minutes ahead of time, etc.) and "reasonable time" is the time it takes to walk back to the field event. It does not include recovery, coaching, etc., but does allow for change of appropriate equipment, such as shoes, which would constitute a time frame of 5 minutes for the Sportsbackers Stadium facility (Outdoor Championships only). An athlete who is competing in another event has the responsibility of being at the start line for their running event on time and should not be penalized for not being at the clerking areas by final call as long as they have been checked in at first call and received their lane assignment. In accordance with NFHS rules (Rule 7, Section 2) for conduct of the horizontal jumps and throwing events, the event official may change the order of competition in the preliminaries and/or finals to accommodate those who may be excused to participate in other events. In the horizontal jump events, any reasonable request for change in order should be granted. The judge may choose to permit a competitor in the horizontal or vertical jumps to take preliminary trials or finals trials in succession or out of order. In the high jump and pole vault, even if an athlete is properly checked out with the event official and the proper check out time (as defined above) has expired, the bar will be moved up to the next height. If the athlete has failed to return in the allotted time and all other competitors have passed, failed, or cleared the existing height, the crossbar will be raised to the next height and the event official will automatically pass the excused athlete to the new height.
- D-8 The boys' high jump will start at (Division 1 5-8) (Division 2 5-2) and will progress 2 inches. For the boys, the bar will continue at one inch increments after 6'6" to the finish of event, subject to peculiarities of the standards or the determination of the

- official. The girls' high jump will start at (Division 1 -4-6) and (Division 2 4-2), and will progress 2 inches to 5'6", and then one inch to the finish, subject to peculiarities of the standards or the determination of the official.
- D-9 The pole vault will start at 9'0" for the boys and 6'0" for the girls in both Division 1 and Division 2. For the boys, the height of the bar will progress 6 inches to 15'0", and then 3 inches to the finish, subject to peculiarities of the standards or the determination of the official. For the girls, the height of the bar will progress 6 inches to 11'0" and then 3 inches to the finish, subject to peculiarities of the standards or the determination of the official. All athletes are required to use poles specifically designed to carry their weight. Vaulters using a pole rated for less than their weight will be disqualified.
- D-10 Shot puts and discs will be weighed before the competition begins. Any shot puts or discs deemed illegal will be confiscated and may be picked up by a coach at the conclusion of the meet.
- D-11 With the exception of the vaulting pole, meet management reserves the right to require teams to use equipment supplied by the games committee.
- D-12 Please note that the long jump boards available are 8'0", 12'0" and 14'0" from the pit.
- D-13 Please note that the triple jump boards available are 24'0", 30'0" and 36'0" from the pit.
- D-14 The Games committee will reserve right to make an adjustment to the time schedule based on the number of entries after the registration deadline. The FINAL SCHEDULE that is published by Friday morning will move up to 20-minutes ahead of schedule or as a rolling schedule if time and weather is a factor.

### **HOW DO I REGISTER FOR THE MEET?**

### STEP #1 LOGIN OR REGISTER

You must have a username and password for Milesplit. To get that, if you don't have one, click register in the top right gray MileSplit bar directly under the Universal Sports logo and search box.

### STEP #2 CLAIM YOUR TEAM

If you haven't already set this up, you must be registered as a coach or team administrator to register for a meet. In order to get set up, you go to your team page, and at the top right, click "Claim This Team." Choose either that you want to be a coach or team administrator. Follow the instructions on that page. Apply and submit. Once you do that and you are approved (usually within a few hours), you will receive a confirmation e-mail and you will be set to go to the next step.

### STEP #3 UPDATE YOUR ROSTER

If your team's roster is not already up-to-date, now is a good time to get any corrections made and add any additional athletes to it. Go to your team page, login, and you will see a button that says "TEAM ADMINISTRATION" to the right of your team's name. Click that and then click roster on left hand toolbar. Enter or update your roster, adding any new athletes. To move graduated athletes to "ALUMNI," simply add their graduation year and hit save.

### STEP #4 ENTER THE MEET

Go to the season calendar and click on the green meet registration button of the meet you want to enter. Read and follow the instructions carefully and fill out the form completely. Once entered, you will see all of the available events/races listed. To enter an athlete into their respective events/races, click the "EDIT ENTRIES" link next to the event. On the following page, check the athletes you would like to enter (seed times will be automatically entered from the Milesplit database)\* and click the save button at the bottom. Do this for each event/race. You will be able to change and update these entries until the entry deadline.

\* Seed marks are automatically entered for each athlete from the Milesplit database. If an athlete has a seed mark from a meet that was not recorded into the Milestat database, you will have to e-mail the results of that meet to the meet director.
